Define and Manage XMS Realty Property Categories

By: Fred Mac Donald

Sunday, 13th October 2013

Property Categories are used to categorise properties into different categories

By Defaults we have the following defined

- Residential
- Industrial
- Commercial
- Sites For Sale
- Berth Spaces
- Car Parking Spaces

To manage these log in and navigate to the Administration Section **»** Dashboard **»** Manage Property **»** Property Categories

Name	Description	Visible	Order⬆	
Residential	New and established property fro rent/lease	✔	⬇	edit
Industrial	New and Pre-owned property for Rent	✔	⬇ ⬆	edit
Commercial	New and Pre-owned property for sale	✔	⬇ ⬆	edit
Sites For Sale	All types of sites for sale & required	✔	⬇ ⬆	edit
Berth Spaces	Valuable Berth Spaces available in the heart of At...	✔	⬇ ⬆	edit
Car Parking Spaces	Rare car park spaces available short / long term l...	✔	⬆	edit

Property Category - 1 to 6 of 6
